

Why Not?

You eat other animals, don't you?

All animals, not just dogs and cats, desire to be free from suffering and exploitation. Our organization endorses Campaign Humane, as we believe animal cruelty is wrong, whether the victim is a dog, cat, cow, pig, chicken, or fish. As such, all of the functions sponsored by our organization will serve only vegetarian fare.

If you believe no animal should be made to suffer unnecessarily, please contact Campaign Humane for your free vegetarian starter guide.
